Physical description: 1 CD-ROM + 1 guide (36 pages)

Summary of Content: This CD-ROM for the beginner student consists of 450 exercises to master the following tenses in the indicative mode: *présent*, *imparfait*, *passé composé* (with *avoir* or *être*), *futur*, and *impératif (présent)*. This resource is meant to be used for review and practice on contents previously studied: it does not include grammatical explanations on verb tenses or conjugation charts. The method offers five types of conjugation exercises: transformation, matching, multiple-choice, word choice and word order. The “assessment” section allows learners to evaluate their work. The bilingual “glossary” allows the users to look up translations of any unknown word they may encounter in the exercises. The “history” section enables users to keep track of their progress. The accompanying booklet explains in French and English the installation requirements and the content of the CD-ROM.

Level: Basic User (level 1, 2): A1, A2

Public: FLE learners who have studied the basic verb tenses of the indicative mode.

Teaching suggestions: Recommended as additional practice at home for beginner students. Appropriate as supplement to Connexions 1.
